HST & Byrnes wanted the war
to end before 1 Aug (which first ~~to be~~
the time when the first bomb (or 2!) had been
dropped (not before 1 Aug) and before
Aug 15 (when bombs were expected to enter: actually,
Aug. 8) or as soon after as possible.

JG rejected serious, plausible, USA proposals
to end war before Aug 1 : Aug 31 (there),
July 25[?]

and for
(Obama)

(JESSE JACKSON?)

[My hyp: Get Marion Barry to raise issues
of 1) National priorities, allocation

2) Sister city with Hiroshima?

3) History of Hiroshima decision:
sponsor alternative exhibit on
nuclear age

[including alternative energy!]
